

March for veggies at the People's Climate March

Saturday April 29, 2017

Place: Washington, DC
Times: 10:00 AM to 3:00 PM
Category: Vegan

Additional Information:

All too often, the role of animal agriculture is left out of the dialogue on climate change, pollution, and resource shortages--even though it is responsible for more greenhouse gas emissions than the exhaust from the entire transportation sector, and the UN has called for a global reduction in our meat consumption.

So we're joining the [Plant-Powered Planet Protectors](#), a diverse coalition advocating for sustainable plant-based meals at the upcoming

[People's Climate March](#)

in Washington, DC, on

April 29

, and we invite you to join us in marching for veggie meals!

When: Saturday, April 29, 10 am-3 pm

Where: Washington, DC (exact meeting spot TBA)

RSVP: <https://www.facebook.com/events/611460152388369/> (details on the meeting spot will be posted as soon as they are available)

This is an important opportunity for us to share an empowering message: that we can all take a bite out of environmental destruction with healthy vegetarian and vegan meals! Find a DC-bound bus from Richmond here: <https://peoplesclimate.org/transportation/>, grab some [materials](#)

(or make your own!), and bring your friends and family. We'll see you there!

Thank you for all you do for animals!
